

VAC AERO INTERNATIONAL
7450 RUE VERITE
ST-LAURENT QUEBEC H4S 1C5,

Attention:

Subject: Lockheed Martin Aeronautics Approval Listing

This is the Lockheed Martin Aeronautics Company approval of your facility. The approval continues until the expiration date shown below. The listing shows your approved quality system and processing capabilities at the time of the evaluation. Any approval of special process is limited to the processes listed.

This approval signifies that at the time of our evaluation, your facility demonstrated capability to conform to the requirements listed. This approval does not guarantee acceptance of delivered hardware or relieve your obligation to deliver acceptable hardware in compliance with all specifications and contractual requirements.

Approved until 10/15/2008

Quality System Approval: Appendix QJ Process Source - FW Approved
